

Oh wow!

BOWSER: I really appreciate this display of intimidation on my wedding day! You've outdone yourself!

Anything for you, Sire!

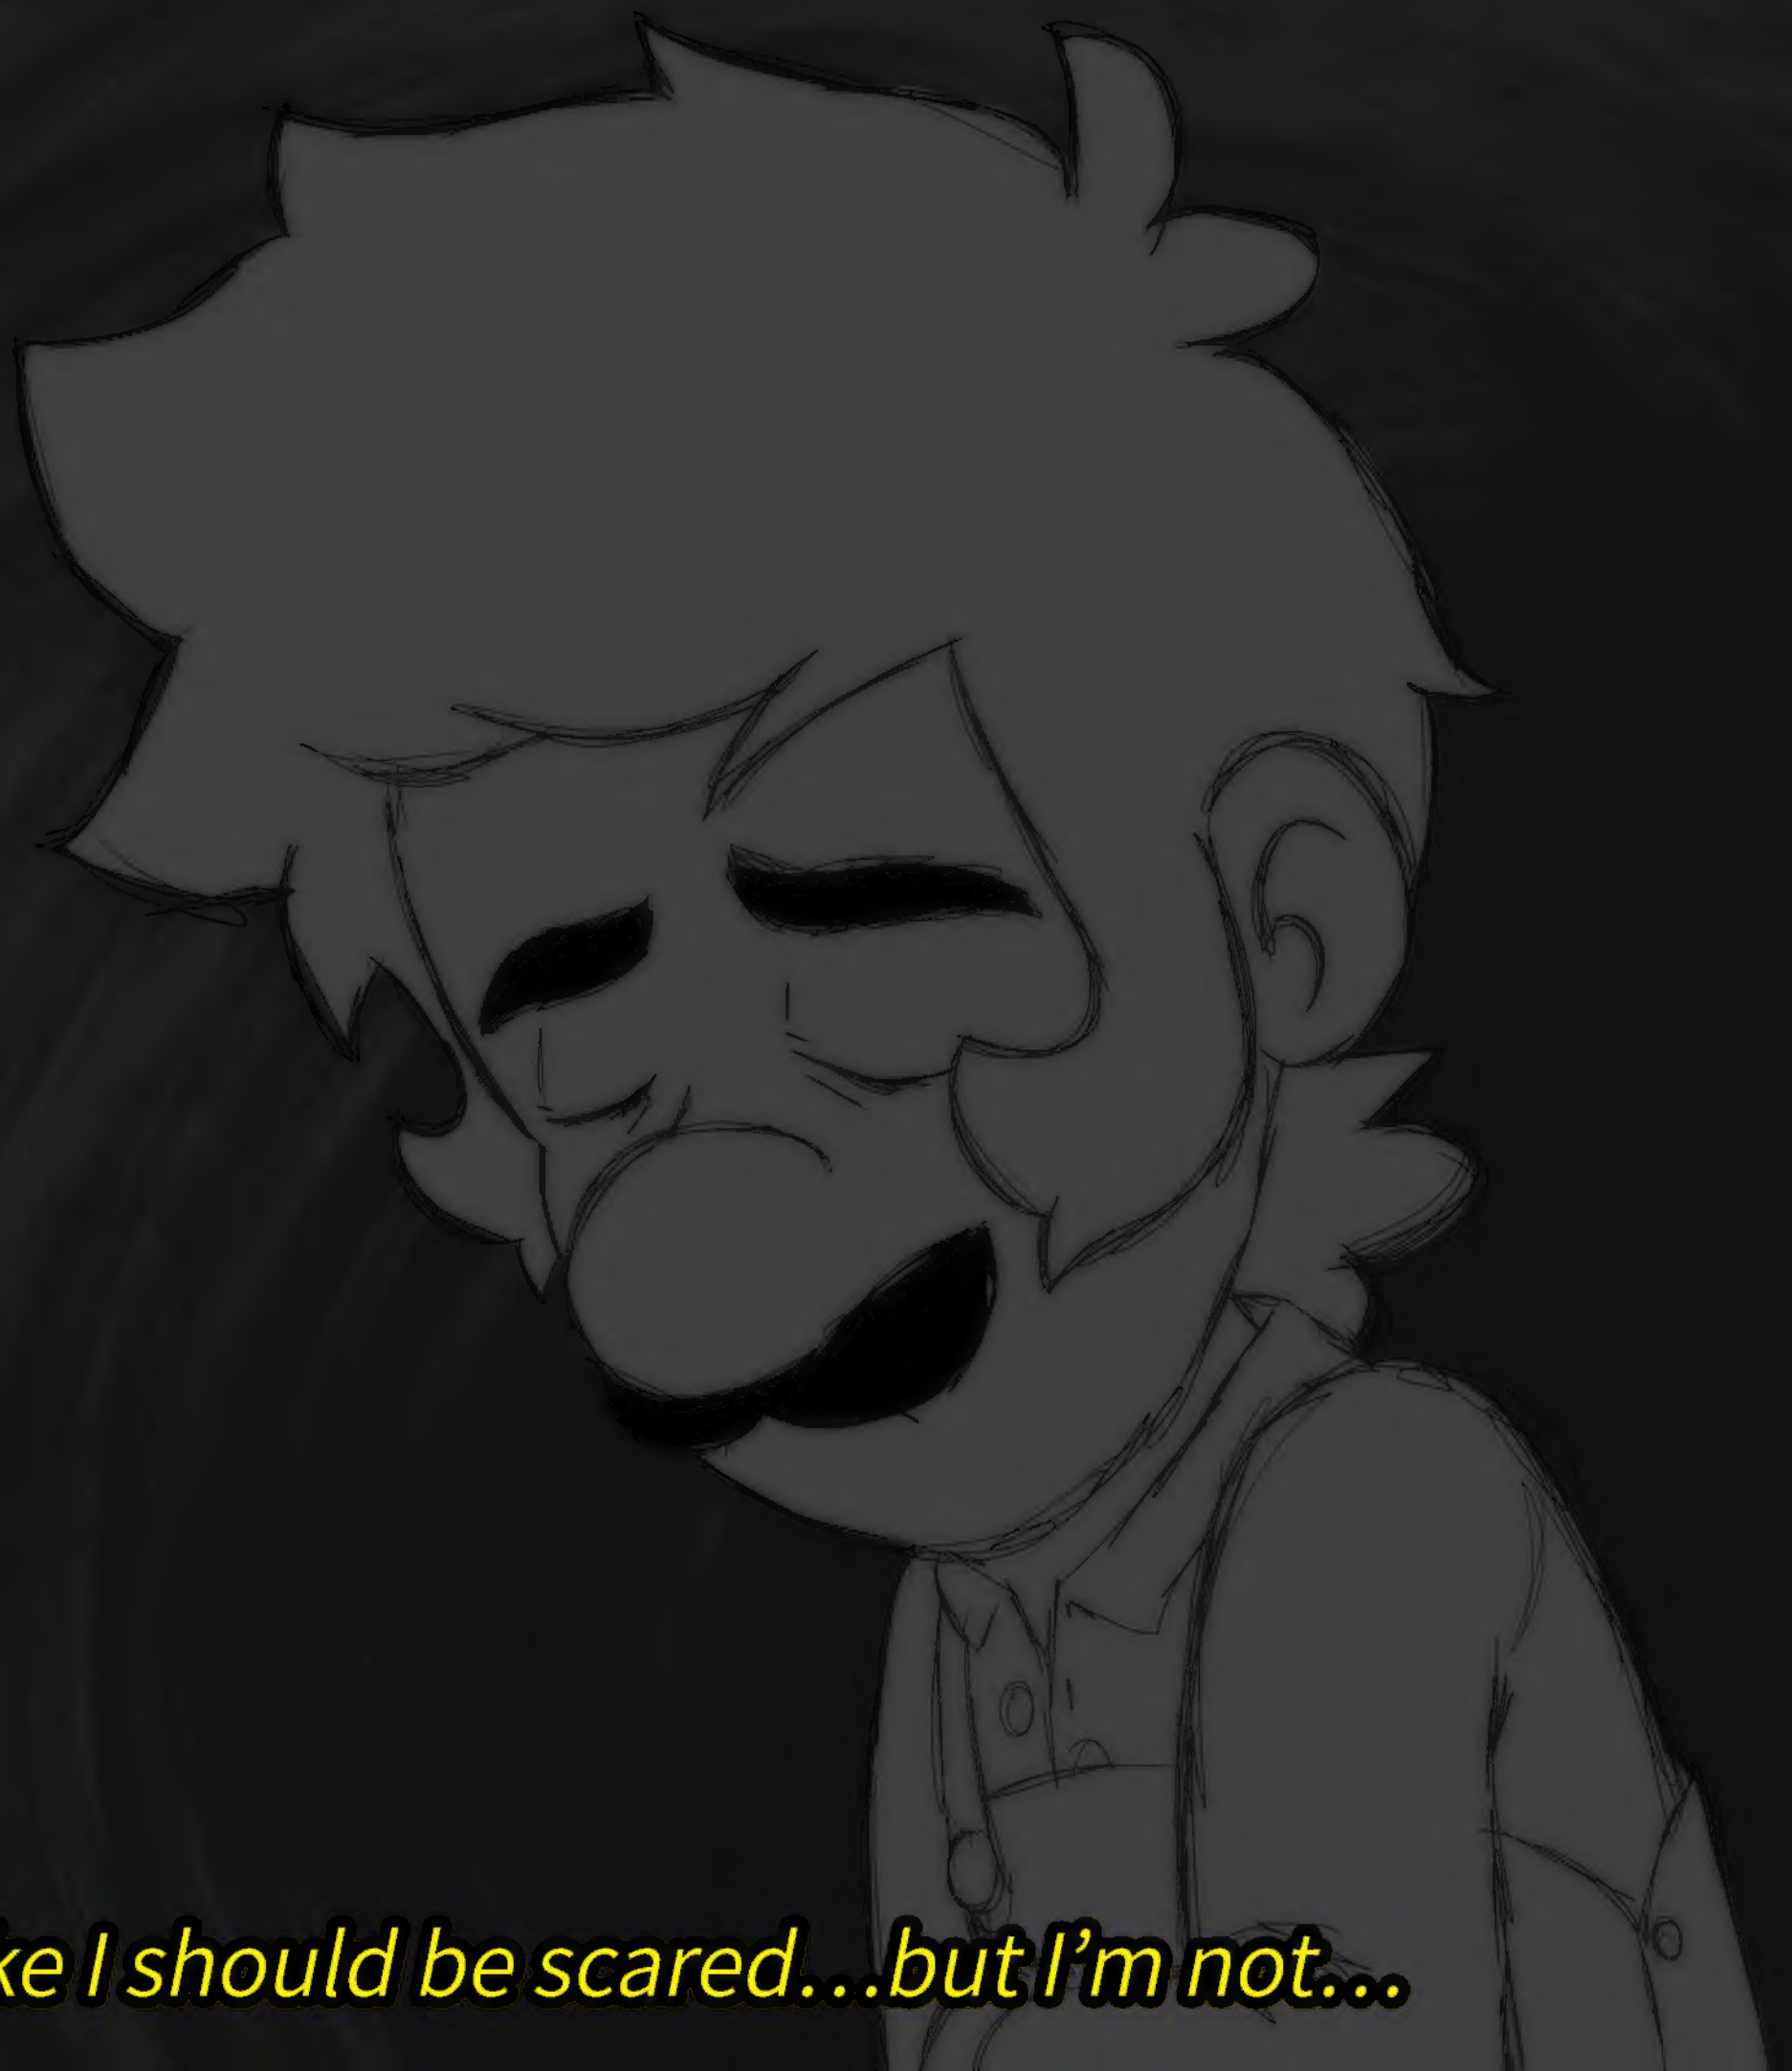

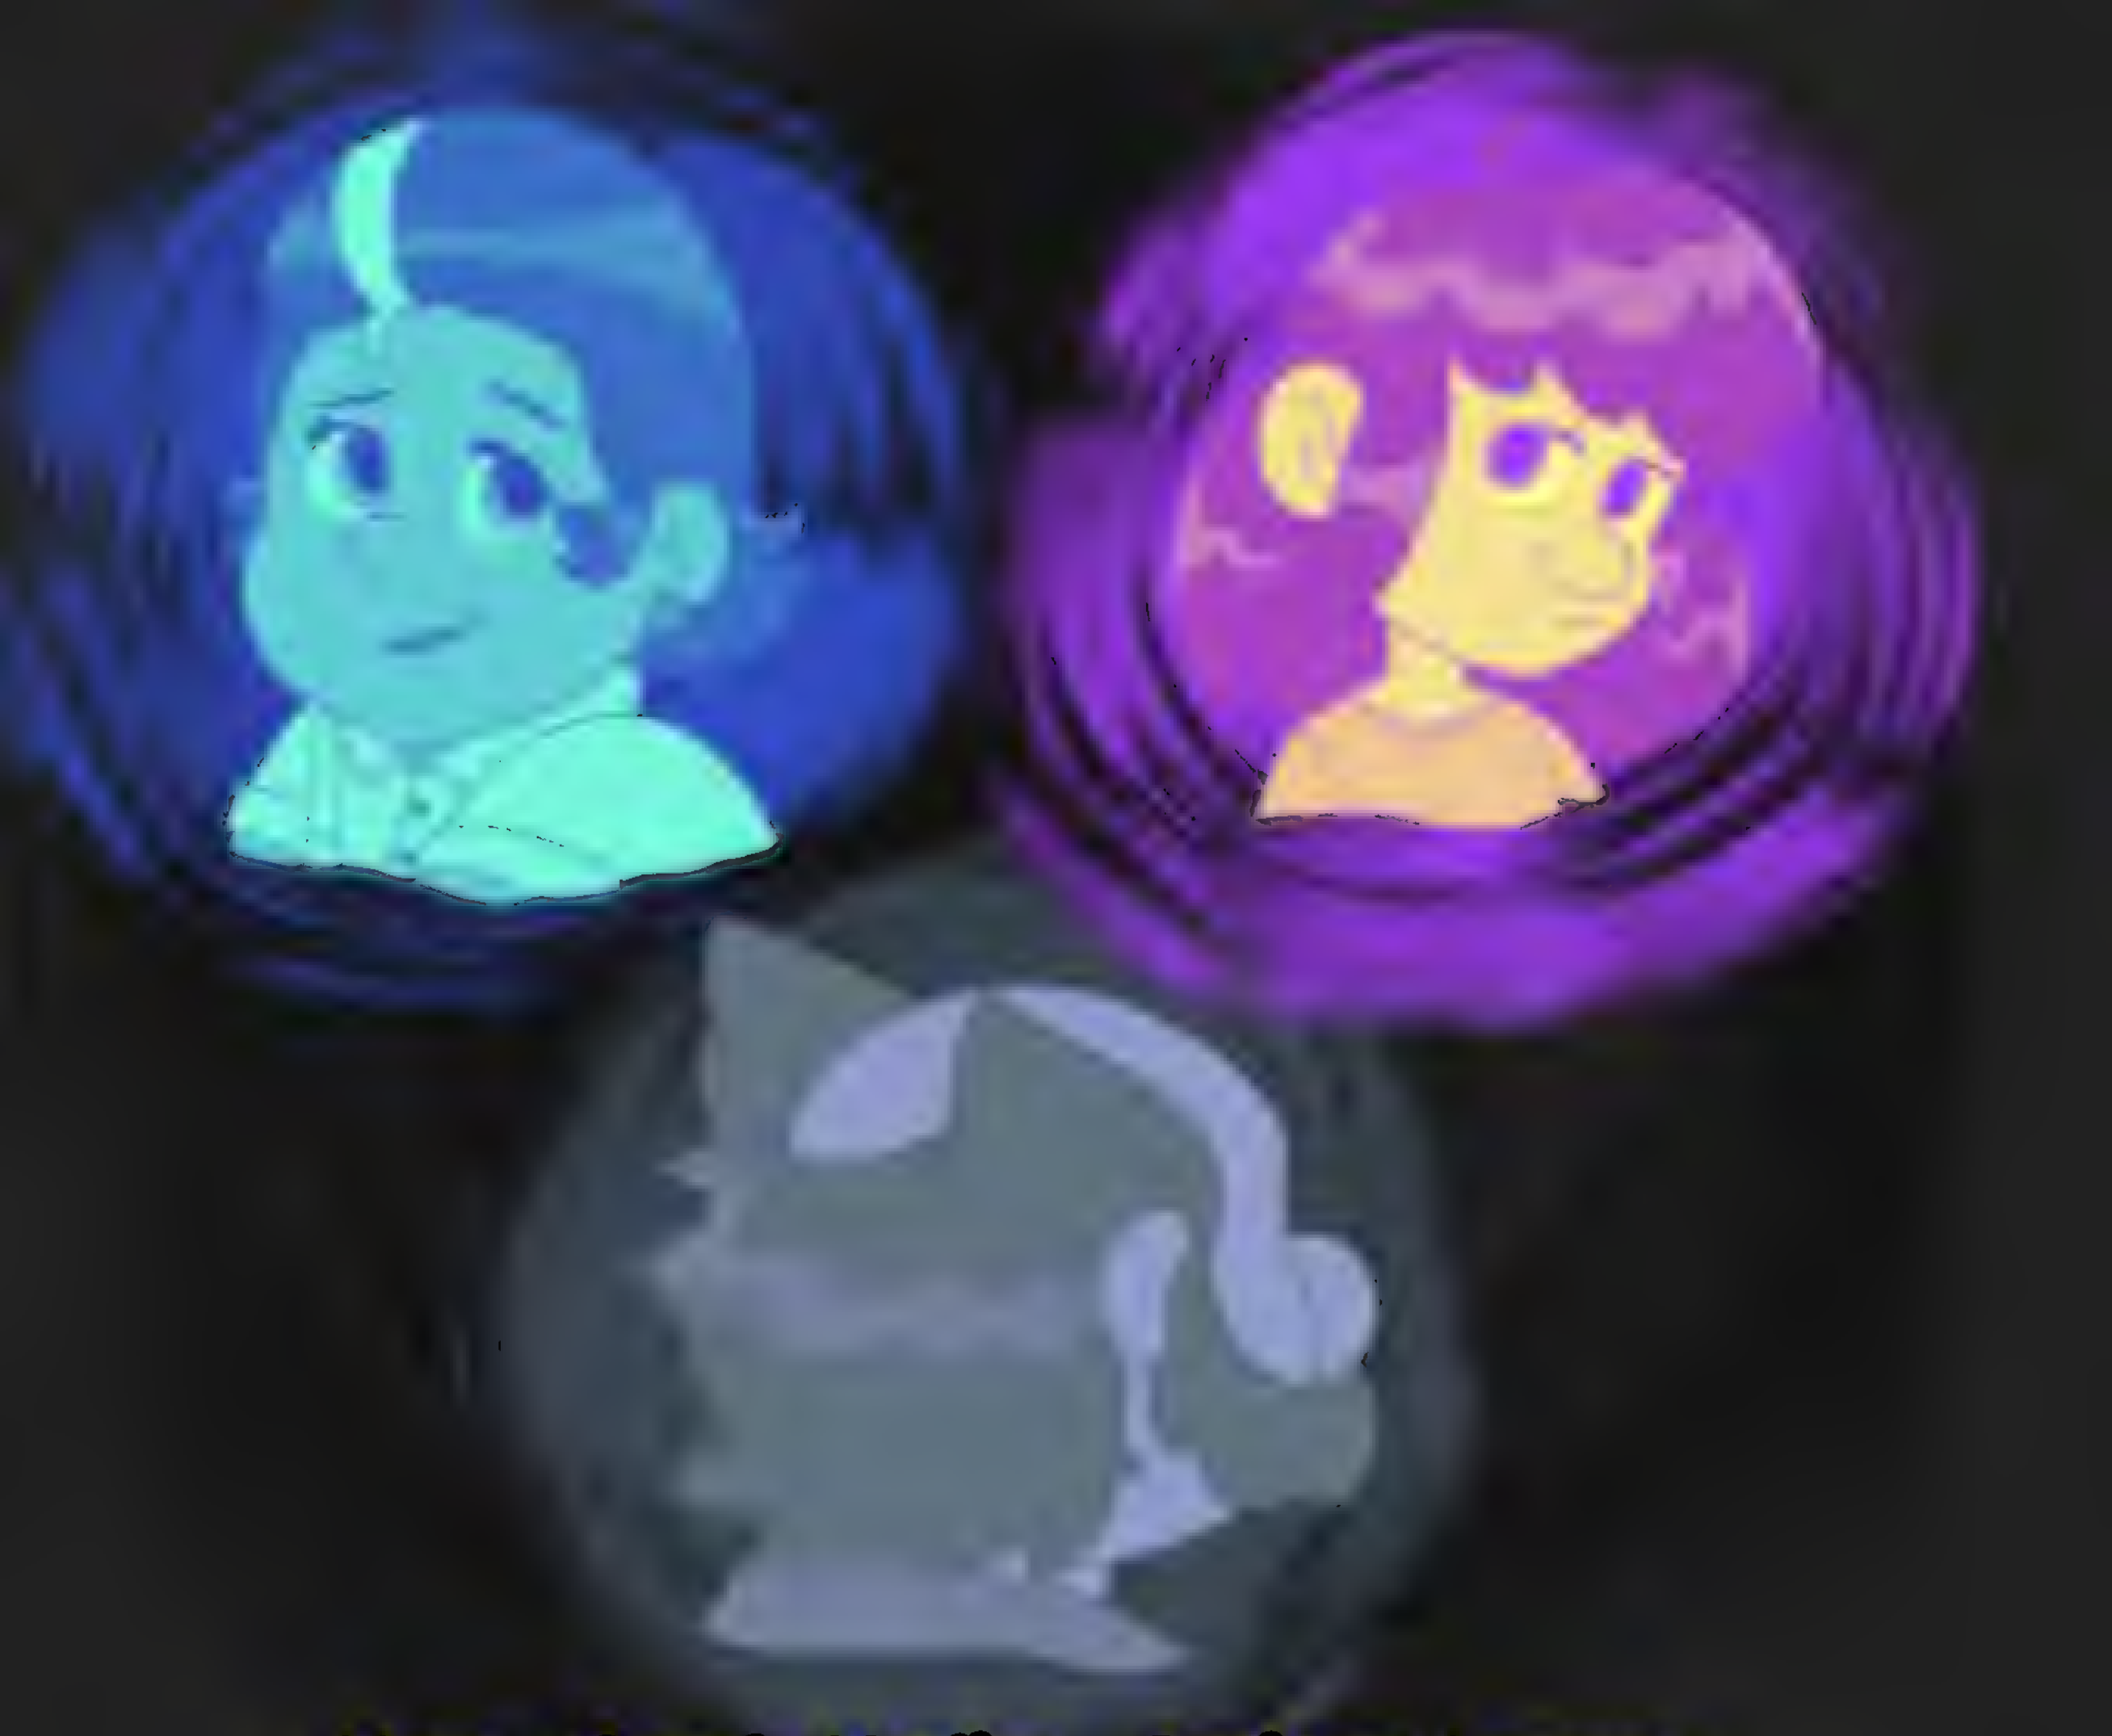

I feel like I should be scared...but I'm not...

*To think that there are people who I didn't get a chance to
say goodbye to...*

Mom...Cousin Marilyn...Dad too, I guess...

And they'll never know what happened to us...to Mario...

He is at the bottom of the ocean!

*Mario went with water...so it's only fitting that
I go with fire...*

???: You'd better be ready, Princess!

I don't know how much longer I have to live...

What matters now is that Lumalee and KP are safe...
